

THE TEN COMMITMENTS

TO SUMMARISE THE COMMUNITY'S POSITIONS ON A NUMBER OF KEY POLICY AREAS, THE REPRESENTATIVES OF LONDON'S JEWISH RESIDENTS HAVE DRAWN UP THE FOLLOWING COMMITMENTS.

PLEASE SHARE YOUR SUPPORT FOR THESE TEN COMMITMENTS ON SOCIAL MEDIA WITH THE HASHTAG [#TENCOMMITMENTS](#), INCLUDING [@JEWISHLONDON](#), [@BOARDOFDEPUTIES](#) & [@JLC_UK](#) IN THE SOCIAL MEDIA POST.

WE WOULD ASK THOSE WHO SEEK TO:

1

Work with the Jewish community to combat antisemitism in all its forms, wherever it appears. Promote and implement the full International Holocaust Remembrance Alliance working definition of antisemitism.

6

Consider the equalities impacts of new development and transport schemes on faith communities, engaging in proper consultation prior to implementing them.

2

Work closely with minority communities to oppose all forms of prejudice, hatred and discrimination. Promote social cohesion by supporting interfaith and intercommunal activity.

7

Promote better support and funding for faith-based and culturally sensitive welfare and social care providers.

3

Support the safety and security of the Jewish community by working with the Metropolitan Police, British Transport Police, and communal organisations such as the Community Security Trust (CST).

8

Support Jewish schools and the Jewish youth sector through better access to GLA networks and resources.

4

Promote links between London and Israel, for example through trade and cultural missions, and engagement with municipalities of major Israeli cities. Oppose divisive boycotts of Israel and protect Jewish and Israeli cultural events from intimidation.

9

Celebrate and protect London's Jewish culture and heritage assets.

5

Work with boroughs to increase housing supply in the centres of Jewish life in London, working with Jewish and other housing associations.

10

Support faith-based social action on issues such as homelessness, food poverty, loneliness, asylum and climate change.
